The Action Adventure Summer Camp is a dynamic program designed and led by Coach Bobby. His passion and creativity shine through in his one-of-a-kind adventure-based games, activities, challenges, and drills that he has personally developed. This program sets out to deliver unparalleled sports entertainment and ignite a passion for physical activity.

The camp experience is a blend of activities. From timeless classics like four-square and kickball games, to the excitement of laser tag, archery tag, and capture the flag type games, every moment promises to be a fun-filled adventure. Participants will play pickleball matches, tennis games, and

spirited tag and flag pull competitions. They will unleash their inner competitor with wall ball and dodgeball showdowns and cool off at the end of the week with their favorite flavors of snow cones and water tennis games. They can swim in the spacious pool every day, balance on a lily pad challenge course, volley water balls, or relax on our river tubes. Moreover, select weeks offer the opportunity to encounter reptiles with the Reptile Man for a unique photo opportunity.

Allow Coach Bobby's Action Adventure Camp to be the catalyst that transforms your child's perception of summer and sports. This is an experience that they will cherish for a lifetime.
